

Cannon Valley Trail Group Event Application– School/Educational Organization

Application for Free Daily Wheel Passes

Please return to CVT Office at least 2 weeks prior to event.

When using the CVT for educational activities intended to benefit students, those persons aged 19 and older from the schools or similar organizations (i.e., scouts) are exempt from the Daily Wheel Pass requirement, provided the Group Wheel Pass Application has been approved at least two weeks prior to the planned event. Activities must be sponsored and sanctioned by a school or similar educational organization. The Wheel Pass exemption is valid for the duration of the activity as approved.

We appreciate your cooperation with this, as the information is used for sharing with our supporters and on financial grant applications to show that we are supporting our youth. It also helps us schedule maintenance projects on less busy days.

We look forward to your visit.

Please complete the form below and return to the CVT Office.
